

Leisure Membership Scheme

Have you been a member of Arrowe Park Golf Club in the past?

Have you considered Arrowe Park Golf Club as a host club for your golf?

You might like to take advantage of our new 'Leisure Member' scheme.

If you are a current member of an EGU recognised golf club, Arrowe Park Golf Club can now offer you a second, half-price club membership (£65 per annum) with the option of playing weekend (Friday, Saturday or Sunday) competition with a booked time, at £5 per competition. The membership comes with full social privileges and options to join Club away days etc etc.

This is an ideal opportunity to sample the friendly atmosphere of another golf club, make new playing friends, or maybe renew old acquaintances.
