GS (Stan) Roberts,
killed in action 1944.
There is a memorial to
him in the clubhouse
and we hope to add
this photograph to it in
the near future

G. S. Roberts (Stan)

HONORARY TREASURER

1938 - 1942

Very popular in thirties/forties, evidence would appear to suggest this caricature was drawn by Bert Wright, a member of the club, in 1934. That surely is 'Dixie' Dean in the top right corner? Born in Laird Street, Birkenhead Dixie scored 27 goals in 33 appearances for Tranmere Rovers, before moving to Everton scoring 395 goals in 447 appearances including 60 league goals in 1927/8.

Captain's Shield 1934: Note the main trophy on the table. Look familiar? The Club Championship Trophy has a few more shields on it now!
